

## A UNIQUE CELEBRATION EXPERIENCE

The Studebaker National Museum offers a sophisticated atmosphere unlike any “four walls and a chandelier” venue. With 55,000 square feet of classic automobiles and historic artifacts, your event will be both impressive and memorable.

The AM General Atrium is an open, welcoming space. The high ceiling with a skylight gives visitors the feeling of standing in an early automobile factory. Guests will be drawn further into the Atrium by the Carmichael Bullet Nose Gallery, which features one of the Museum’s cars on a turntable. This space is available for rental after 6:00 PM.

The board room is available for rental during Museum open hours. Just outside the second floor gallery, the room is perfectly located for guests who wish to combine business and pleasure.

The museum includes free parking for your guests and is handicap accessible.

The rental spaces are flexible enough to accommodate a wide range of event types, including but not limited to:

- Wedding Anniversaries
- Rehearsal Dinners
- Receptions
- Customer Appreciation Parties
- Class/Family Reunions
- Birthday Parties
- Holiday and Company Parties
- Client Luncheons
- Board Meetings
- Service and Product Training Sessions

**WITH YOUR RENTAL, YOU WILL RECEIVE THE FOLLOWING:**

- An event coordinator to assist with planning your event
- Museum staff to set up your event
- Free and accessible parking for guests
- Access to museum galleries for guests

**PRICING GUIDE**

Prices for renting space at the Studebaker National Museum start at \$300 in the Atrium and \$150 in the Board Room.

A non-refundable deposit of 50% of the rental fee must be made in order to hold your event date. This deposit will count towards the overall balance. The remaining balance must be paid by a due date determined by the contract between the museum and the renter.
