FACILITY RENTALS

NATIONAL MUSEUM

*Make history
with your event!*

ABOUT US

The Studebaker National Museum offers a sophisticated atmosphere unlike any other venue. With 55,000 square feet of classic automobiles and historic artifacts, your event will be both impressive and memorable.

AM GENERAL ATRIUM RENTAL

The AM General Atrium is an open, welcoming space. The high ceiling with a skylight gives visitors the feeling of standing in an early automobile factory. Guests will be drawn further into the Atrium by the Carmichael Bullet Nose Gallery, featuring a vehicle from the Museum's exhibition on a turntable. This space is available for rental after 6:00pm.

BOARD ROOM RENTAL

The Board Room is available for rental during Museum open hours. Located just outside the second floor gallery, the Board Room is perfectly located for guests who wish to combine business with pleasure.

CAR RENTAL

A classic ride for a classic bride! Take a step back in time with an iconic "Bullet Nose" 1950 Land Cruiser or a snappy 1942 Commander Skyway for a more vintage look.

With the Museum's provided chauffeur, you'll be sure to have heads turn, making your big day even more memorable. Consider a Studebaker to begin your new journey together.

- The car is available for rental April 1 – October 30 (weather permitting).
- We will travel in a 15-mile radius from the Museum.
- A maximum of 3 passengers and 1 Museum provided driver are allowed.
- The car does not operate after 9pm.
